Dear Parents

School Bus Service 2016/2017

Attached are the draft details of the School Bus Service for the next School Year.

At the moment, the routes and timings are the same as for the current year. However, parents are encouraged to request new stops to be added to the routes and these will be accommodated where it is reasonable and practicable to do so. Similarly stops which are no longer required will be removed. A final set of routes and timings will then be published during the Summer holidays.

We make every effort to keep price rises to a minimum, but the increased cost of operating the service has meant that a small increase to fares will be necessary from September.

General Information

All students may use the bus service provided that they have parental consent and are able to get on and off the coach/minibus and fasten and unfasten seatbelts by themselves. The coaches/minibuses only have a driver and the School does not provide staff to travel, assist or supervise.

School rules apply on the buses and any student who misbehaves will be subject to School discipline. In appropriate cases, the School will suspend the student's right to travel on the bus for a period, or indefinitely, without the return of all or some part of the charge.

Application to use the School Bus Service

Parents wishing to book the School Bus service are asked to complete the attached form and return it to me (with the appropriate remittance to qualify for the payment discount) by **Friday, 29 July**. Passes will then be issued in time for the start of the new term in September.

No refunds will be given once a pass has been issued.

Parents wishing to purchase a daily pass, should make the necessary request to the School Office in advance of the start date and the appropriate pass will be issued.

Please do not hesitate to contact me if you have any queries on the above or would like to discuss the school bus service in more detail.

Yours sincerely

David Robson
